

BEJAY MULENGA

BUSINESS GROWTH EXPERT

BIOGRAPHY

Bejay is a multi-award-winning serial social entrepreneur dedicated to teaching entrepreneurs the skills they need to take their business to the next level.

With a passion for empowering people and solving complex problems, Bejay's vision is expansive - with the aim of creating experiences which fundamentally change people's lives. As the youngest award winner of the Queen's Award for Enterprise Promotion in the UK, receiving the award aged 20, his entrepreneurial journey has demonstrated impact upon the wider community - shown in the constant stream of honours he receives and prominent features across the UK. Bejay is a prolific international speaker, sharing his expertise and insight with thousands of people across the globe across the private and public sector spaces alike. With 10 years of business experiences building and exiting six businesses, Bejay has worked with brands such as Barclays, River Island, BBC, The Queen's Commonwealth Trust, Sony, and more.

What ties all of Bejay's pursuits together is his core mission of delivering value to individuals, collectives and institutions through his passion for business, entrepreneurship and empowerment.

TESTIMONIALS

“

Bejay you were great. Authentic, engaging, brave and creative. Thank you so much for being you and being there.

Helen Tupper, Co-Founder & CEO, *Amazing If*

You were superb yesterday and it was a pleasure to have you kick off the How To Make A Difference session. Thank you!
Nick Giles, Co-founder of Seven Hills; co-author of *Mission*; chair of One Young World advisory board 2019.
